- **POLITICS**: Pertaining to **POLICY**, or the **ADMINISTRATION** of the **GOVERNMENT**
- **POLICY**: A plan or course of action, as of a **GOVERNMENT**, **POLITICAL PARTY**, or **CORPORATION** - a **WRITTEN CONTRACT** or **CERTIFICATE** of **INSURANCE**
- **ACTS** of **PARLIAMENT** become **STATUTES; PRIMARY LEGISLATION** which in turn are **ENACTED** and **ENFORCED** by **STATUTORY INSTRUMENT'S; SECONDARY LEGISLATION**
- **COUNCIL TAX** is a **STATUTORY INSTRUMENT ENACTED** on the 1st April 1993 under its **PRIMARY LEGISLATION** the **LOCAL GOVERNMENT FINANCE ACT** 1992

First we define: STATUTORY INSTRUMENT

STATUTORY: **CREATED**, defined, or relating to a statute; required by statute; conforming to a statute.

INSTRUMENT: A **WRITTEN LEGAL** document such as a **CONTRACT**, lease, deed, will or bond

Then we define: SOCIETY and CONTRACT

- **SOCIETY**; the **SOCIALLY DOMINANT** members of a **community**, a **SOCIETY** is a number of **PERSONS** united together by mutual **CONSENT**, in order to deliberate, determine, and act jointly for some **COMMON PURPOSE**.
- **CONTRACT**; An agreement between two or more **PERSONS** that **CREATES** or **MODIFIES** an existing **RELATIONSHIP**.
- **OFFER**, **CONSIDERATION** and **ACCEPTANCE** must exist for a **CONTRACT** to be made.

And then a: CONSTITUTION

- The fundamental **RULES**, written or unwritten, that establishes the **CHARACTER** of a **GOVERNMENT** by defining the basic principles to which a **SOCIETY** must **CONFORM**.
- You were not given a choice if you wanted to join this **SOCIETY**, it was made for you, at a time you could not express a choice

Then we define: STATUTE

- A **LEGISLATIVE RULE** of **SOCIETY** given the **FORCE** of law by the **CONSENT** of the **GOVERNED**, a **RULE**, as of a **CORPORATION**.

- From neuter of Latin: **STATUS**: the; **LEGAL CHARACTER** or condition of a **PERSON** or thing;

- Also by it's own definition it is not **Law**, it is only given the force of law by the consent of the governed

- By its own definition it only applies to a **PERSON** and not a **Man** or a **Woman**!

UNITED KINDOM CORPORATION LTD

- It seems that this country is a **CORPORATION** and it has **EMPLOYEES**.
- The **EMPLOYEES** are not just **CIVIL SERVANTS**, but **EVERYONE**
- If you have a **NATIONAL INSURANCE Number**, that means '**you too**' are an **EMPLOYEE** of this **CORPORATION**
- **COMPANY POLICY** of this **CORPORATION** requires you, as an **EMPLOYEE**, to pay **TAX** and follow all the **LEGISLATIVE RULES of that COPORATION** in this case; **STATUTES**
- As in any **COMPANY**, if ***you*** break the **RULES**, you will be **DISCIPLINED** under that **COMPANIES LEGISLATION**

Disciplinary Procedures!

- The **POLICE** of the **UNITED KINGDOM CORPORATION** are all **COMPANIES** run for **PROFIT** too!
- As **CORPORATE POLICY ENFORCEMENT OFFICERS** their job is to **ENFORCE** the **RULES** of the **CORPORATION**
- The **COURTS** of the **UNITED KINGDOM CORPORATION** are all **COMPANIES** run for **PROFIT** as well!
- If you break the **RULES** they will ***invite*** (**SUMMONS**) ***you*** to their place of **BUSINESS** to discuss your **PUNISHMENT**
- Except that they are not inviting ***you***; you just think that they are!
- Even the highest **COURT** in the land is a **CORPORATION**

WHAT?! ...LEGALESE; the LANGUAGE of the CORPORATE EMPLOYEES.

- A language can be created and used by a **SOCIETY**, a **CORPORATION** can be such a **SOCIETY**.
- **LEGALESE** is such a **LANGUAGE**
- It is English. But some words have **VERY** different meanings...
- **LEGALESE** is the **LANGUAGE** of the **LAW SOCIETY**.
- Example: **MUST** is synonymous with **May**
- Example: **SUMMONS** is synonymous with **INVITATION**
- Example: **UNDERSTAND** is synonymous with **STAND UNDER**

Know who *you* are.

- If you go to **COURT** (**CORPORATE** place of **BUSINESS**) you are asked immediately for your **NAME**. They even presume to know who you are and will ask as such..:

  "**Mr** Harris?" – **Mr** is the title of something with **LEGAL PERSONALLITY (STATUS)**

- I was named by my parents, that name did not include **MR**

- If I reply '***yes***' – guess what I have agreed to **REPRESENT**? – A ***man*** cannot be acted upon by **STATUTES**, these only apply to the **FICTIONAL ENTITY** with **LEGAL PERSONALLITY** i.e **Mr JOHN HARRIS** / **Mr** J Harris

Common Law vs STATUTE RULES/POLICY

- The only basic principles that any people, of any nation, need to adhere to are those of natural law which are mirrored in Common Law – never **Harm** or cause **Loss**
- **Common Law** applies to; ***man*** **or** ***woman***
- **STATUTE RULES** apply to the **PERSON** only when the; man or woman **CONSENTS** to **REPRESENT** the **PERSON**
- **CONSENT** can be given by **in-action** as well as **action**
- Within Common Law exists the word **JUSTICE**
- Within **STATUTE RULES** you will just receive **SUMMARY JUDGEMENT** – you broke the **RULES** of the **CONTRACT** – ***you*** **LOSE**!

You are a *man* or *woman*, you have a PERSON!

Attached to

- Man – John Harris
- Exists naturally
- Created by the divine
- Subject to Common Law jurisdiction
- Must never harm another or cause another any form of loss
- Free & Unlimited ability to contract & settle debt in private under commercial law.

- PERSON – MR J HARRIS
- Fictional entity
- Created by government
- Subject to Civil Policy jurisdiction
- Must fulfil all duties given to & governed by Corporate Policy (tax etc) under Statute
- Does business in the public, controlled by civil law & corporate courts

So what is a PERSON

- They are inviting a **PERSON** created by the **UNITED KINGDOM CORPORATION**.
- Your **PERSON** was created when your birth was **REGISTERED** & is evidenced by your **BIRTH CERTIFICATE**.
- Man created **GOVERNMENT**, which in turn created **PERSONS.** Your **PERSON** is not ***you***, it is a **LEGAL FICTION** which you are falsely identifying with.
- You don't get to say what its' **RIGHTS** and **DUTIES** are, the **UNITED KINGDOM CORPORATION** does.
- But it has to **MISS LEAD** into doing so via; **DECEPTION**

DEFINE: PERSON

- Includes natural PERSON, FIRM, CO-PARTNERSHIP, ASSOCIATION, LIMTED LIABILITY COMPANY, or CORPORATION – LEGAL PERSONALLITY

  - how can you define a PERSON as **including natural PERSON**. Defining a word with the very same word is failing to define anything.

  - This definition is from Blacks Law 8th Edition

  - PERSON is defined as a **FICTION** in Blacks Law 3rd Edition

Birth Certificate: How the Person is created as a 'Bonded Slave'

- **CERTIFIED COPY** – not original
- **NAME** of the **PERSON** being created **CAPTILISED SURNAME**
- **NAME** of **PERSONS** Father/Mother **CAPTILISED SURNAMES**
- **INFORMANT: QUALIFICATION** needed to be able to **INFORM**; Father/Mother to **INFORM** on the child being Born!

- **DECLARATION** from a ***man*** or ***woman*** to prove a ***man*** or ***woman*** was **PRESENT** to **REPRESENT** the **PERSON**, needed to create the new **PERSONS LEGAL PERSONALLITY**

REGISTRATION and your Children!!

- To this day **REGISTRATION** still means the same thing, i.e.; that **TRANSFER** of **LEGAL TITLE** to the body you have **REGISTERED** it with.
- As you have seen the worst possible way that this process could have been abused is in the **REGISTRATION** of **BIRTHS**!
- A simple show of how your child no longer belongs to you is this: mandatory vaccinations, mandatory schooling, holiday the children when they say you can and not before... they tell you how to manage their **PROPERTY** and if you don't do it their way, their appointed **GUARDIANS** take ***your*** children away; the **SOCIAL SERVICES PLC**

Please consider this!

- Consider this, could the **GOVERNMENT** actually take ***your car*** away and crush it **lawfully** if you actually owned it?
- It would be totally **unlawful**, so in using the process of **REGISTERING** your vehicle, they dupe you into handing over **LEGAL TITLE** of that **VEHICLE** (ownership) and you get a V5 **DOCUMENT** as the **REGISTERED KEEPER** (a **PERMISSION** to use it as long as it is used in **ACCORDANCE** to all of their **RULES**) If they did not dupe you into this, the very **ACT** of taking and crushing ***your property***, would be a ***crime*** in Common Law
- Also by **REGISTERING** it you, as **STATED**, **AGREE** to **ABIDE** by their **RULES** and do so in their **SOCIETY**, this is how they **LEVY** the fuel **DUTY**/road **TAX**/**MOT REQUIREMENT**

Please remember!!

- When you **REGISTER** something /anything you give up **OWNERSHIP** (**POSSESSION** of) to it, and instead you get a **CERTIFICATE** of **TITLE**, this is worthless, and this is why you own nothing not even your **CHILDREN!**

FIXED PENALTY NOTICES; ISSUED by such CORPORATIONS

- So why are there so many **FIXED PENALTY NOTICES** being given for the most ludicrous reasons?
- Bins being to full or put out in the wrong place
- Parking in a place a **CORPORATION** deems you can't
- Speed Cameras, not completing a **SORN** the list is endless!
- But what are these **NOTICES** in the real world being **ISSUED** by these **CORPORATIONS** who never stop dreaming up **REASONS** for **PENALISING** you?
- **PENALISED** by way of **FORFEIT**; Something surrendered or subject to surrender as **PUNISHMENT** for a **BREACH** of **CONTRACT**.

FPN: An OFFER to accept an ADHESION CONTRACT

- **ADHESION CONTRACT**: A type of **CONTRACT**, a **LEGALLY BINDING AGREEMENT** between two **PARTIES** to do a certain **THING**, in which one side has all the **BARGAINING POWER** and uses it to write the **CONTRACT PRIMARILY** to his, her or its **ADVANTAGE**.

- A **NOTICE** is not a **BILL**. A **NOTICE** is not a **DEMAND**. A **NOTICE** is nothing more than... an **OFFER** to discuss the **CONTRACT** the **OFFERER** is trying to force upon your **PERSON** – this is simply a tool of **REVENUE COLLECTION**

- The true reason why these FPN are **FORCED** upon your **PERSON** is simply to maintain the **ILLUSION** that they have control over your **LIFE, FORTUNE** and **FREEDOM**, because you **FEAR** their **ABILITY** to take from you something you deem **VALUABLE**

Money is not the currency; you are!!

- *You* believe **MONEY** is **VALUABLE**; *you* work to get **MONEY**!
- So is the **MONEY** really **VALUABLE** or the **WORK** *you* are doing to get that **MONEY**?
- In reality *you* are the only **VALUABLE COMMODITY** because of the **WORK** *you* do and the only way *you* will do that **WORK**, is to be **PROMISED** you will receive **MONEY** for that **WORK**
